

## Camp Hosanna 2023 Information Letter

We are very excited to have Lee Willis return as our Summer Day Camp Director for Camp Hosanna. Ms. Lee has planned another action-packed summer! Camp Hosanna is an 11-week program running from May 30-August 11.

Each family will be given a one-week vacation voucher. Each voucher must be requested prior to the week of vacation and must be taken for one full week. There are no refunds for unused vacation vouchers.

Camp provides a breakfast snack and an afternoon snack included in your tuition. Lunch is not included. We ask that your children either bring their own lunch including a drink or they can purchase a camp lunch for \$4.00. Please remember that we are a nut-free center.

We will have two days in May where you can come initial all the permission slips for field trips and pick up your camp T-shirt. **Those two dates are May 18 & 19 from 8:00-4:00 pm. This is a mandatory part of registering for camp.**
